BATTERIES BUILT TO LAST

Heavy Duty Dual Purpose AGM Batteries are built to last longer and to keep up with the increased electrical demands of modern trucks.

AGM can be used in all truck applications, and is excellent for reefer units, sleeper cabs and pick-up & delivery applications. Designed specifically for heavy auxiliary loads or when the battery is the power source (i.e. - Battery Powered HVAC systems and Lift Gates).

AGM batteries are designed for both cranking and cycling power.

TRACTION DIFFERENCE

HD PLUS OUR PRIVATE BRAND

OEM QUALITY WITHOUT COMPROMISE

When a product bears the HD Plus logo, you can rest assured that it has been **manufactured according to the highest standards**. Our replacement parts are designed to meet the same standards as OEM parts.

We make no compromise on material quality, product performance or quality control. The only concession made is on the price!

UNRIVALLED WARRANTY

The HD Plus brand offers a warranty that is **equal or superior** to national brands, to ensure your peace of mind.

ULTRA PRO**FULL RANGE OF PROFESSIONAL
QUALITY TOOLS****Impact Wrenches**
